

HEADQUARTERS
2ND EMERGENCY RESCUE SQUADRON
APO 719

13 June 1945.

C E R T I F I C A T E

I certify that Captain George A. Barnes, ASN 0739704, this organization, has had one (1) rest leave in the Sydney Rest Leave Area which has failed to restore him to his normal efficiency. It is the opinion of the Medical department that he cannot be rehabilitated in this theater, and it is therefore recommended that subject Officer be returned to the continental United States for proper rehabilitation.
