

Stewart Field,
West Point, New York

DATE August 20, 1943

I certify that Lt. George A. Barnes has this date completed the instrument flying test as prescribed in AAF Reg. #50-3.

Basic Instruments:

| | |
|----------------------------|---------------------|
| a. Level Flight | <u>Satisfactory</u> |
| b. 90 and 180 degree turns | <u>"</u> |
| c. Fast Turns | <u>"</u> |
| d. Spiral Climb | <u>"</u> |
| e. Glides | <u>"</u> |
| f. Stalls | <u>"</u> |
| g. Recovery from Spirals | <u>"</u> |

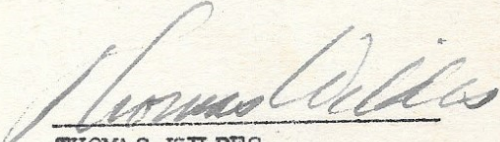

Radio Range:

| | |
|---------------------------------|----------|
| a. Following Radio Beam | <u>"</u> |
| b. Intersecting Cone of Silence | <u>"</u> |
| c. Orientation | <u>"</u> |

The instructor or check pilot will note after each maneuver whether it was performed satisfactorily or not.

In the event that the test is given by two different pilots, each pilot will submit a report on the test that he supervised, crossing out the maneuvers not performed.

Card (Form #8-A) Issued August 20, 1943

THOMAS WILDES,
Lt. Colonel, Air Corps,
(Instructor)

Air Inspector, Training.
